Subject: Submission of Publications for Release During the Annual Day Function

NOTICE

All faculty members and students are hereby informed that the College is tentatively scheduled to organise its Annual Day Function in the last week of October 2026. A dedicated segment of the programme has been earmarked for the release of publications, including books, annual reports, research project findings, edited volumes, and creative publications.

Interested faculty members and students who wish to have their publications considered for release during the function are requested to submit a copy of the publication, along with a formal request for its release, to the Office of the Principal by Wednesday, 21 October 2026, during office hours.

The submitted publications shall be reviewed and shortlisted by the designated committee. The selection of publications for release shall be at the sole discretion of the committee and shall be subject to the availability of an appropriate time slot in the Annual Day programme.

All concerned are requested to adhere to the prescribed deadline. Submission of a publication shall not, in itself, guarantee its selection for release.

Principal
